

Privacy Policy Digit Image SA 2021

This privacy policy has been compiled to better serve those who are concerned with how their "Personally identifiable information" (PII) is being used online. PII is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, credit card information or other details so that we can provide our services to you.

When do we collect information?

We collect information from you when you register on our site, place an order, subscribe to a newsletter, fill out a form or enter information on our site.

How do we use your information?

We may use such information in the following ways:

- To personalize your experience on our site and to allow us to deliver the type of content and product offerings in which you are most interested.
- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To administer a contest, promotion, survey or other site feature.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.

How do we protect the information we receive?

Our site is reviewed on a regular basis for security vulnerabilities in order to make your visit to our site as safe as possible.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology. We do not store credit/debit card information on our systems.

We implement a variety of security measures when a user places an order, enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use "cookies"?

No. We do not use cookies.

How can you opt out, remove or modify information you have provided to us?

You can request to have your information removed by clicking on the Contact Us button on home page.

Please note that we may maintain information about an individual sales transaction in order to complete that transaction and for record keeping purposes.

Third Party Disclosures

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information unless we provide you with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property, or safety.

However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Third party Links

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

Transfer Of Your Personal Information

Your information, including personal information, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

We will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your personal information will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure Of Your Personal Information

If we are involved in a merger, acquisition or asset sale, your personal information may be transferred. We will provide notice before your personal information is transferred and becomes subject to a different Privacy Policy.

Under certain circumstances, we may be required to disclose your personal information if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Retention of Your Personal Information

We will retain your personal information only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your information to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

Information Regarding Your Data Protection Rights Under General Data Protection Regulation (GDPR)

For the purpose of this Privacy Policy, we are a Data Controller of your personal information.

If you are from the European Economic Area (EEA) and Switzerland, our legal basis for collecting and using your personal information, as described in this Privacy Policy, depends on the information we collect and the specific context in which we collect it. We may process your personal information because:

- We need to perform a contract with you, such as when you create a Policy with us
- You have given us permission to do so
- The processing is in our legitimate interests and it's not overridden by your rights
- For payment processing purposes
- To comply with the law

If you are a resident of the European Economic Area (EEA) and Switzerland, you have certain data protection rights. In certain circumstances, you have the following data protection rights:

- The right to access, update or to delete the personal information we have on you
- The right of rectification
- The right to object
- The right of restriction
- The right to data portability
- The right to withdraw consent

Please note that we may ask you to verify your identity before responding to such requests.

You have the right to complain to a Data Protection Authority about our collection and use of your personal information. For more information, please contact your local data protection authority in the European Economic Area (EEA).

Service Providers

We employ third party companies and individuals to facilitate our Website ("Service Providers"), to provide our Website on our behalf, to perform Website-related services or to assist us in analyzing how our Website is used. These third-parties

have access to your personal information only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Payments processors

We provide paid products and/or services on our Website. In that case, we use third-party services for payment processing (e.g. payment processors).

We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy. These payment processors adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council.
